

Glemsford

Start & Finish Points: Glemsford Church (TL 833 484) Mileage: 4.7

This is an up-and-down walk circling Glemsford taking in the Glem valley, walking on part of the Stour Valley Walk.

Start the walk at the footpath sign just to the left of the church gate. Go through a kissing gate and turn left down a tarmac path. When the tarmac path swings to the right you carry straight on, on a green path soon picking up a path straight across a field. Just before you come to the road turn right and pick up another path going across the same field. Stick to the path soon having trees to your left and then the River Glem your left.

At a T-junction of paths turn right. When you come to a footpath sign turn left across a field. Once across carry on across a plank bridge and then on a path, then across a plank bridge. When you come to a track running diagonally in front of you turn right.

At a road turn left then quickly right onto a road. At the footpath sign on your left turn left. When you come to a tarmac road in front of you turn right walking on a path with fences both sides, then cross a road onto a path. When you come out onto a gravel road just carry on and then go left onto a road and at a T- junction of roads turn left.

Just before you get to the Angel Inn turn right onto another road and when you come to a footpath sign turn right and when you come out onto a playing field carry on in the same direction having a tall hedge to your left.

When you come to the field boundary walk straight across the middle of a skate boarding park then pick up a path, overgrown at the time of walking, into trees. The path will then swing to the left and out onto a field. Walk straight across aiming slightly to the right of a red brick building in front of you. At the footpath sign carry straight on. You will then come out onto a road, turn left. At the footpath sign to your right, partially hidden, turn right having trees to your right. Then cross a field and when you come to a crossroad of paths carry straight on.

At the T-junction of paths turn right. At a road turn left, when you come to a footpath sign turn right. When you come to a road turn right and after few paces turn left on another road. At a footpath sign turn right. When you come to a crossroad of paths turn left. At a road turn right and back to your starting point.
