

Bury St Edmunds Ramblers Update - September 2022

AGM Saturday 5th November 2022

Please try to be at our AGM this year, we have a number of the members of our committee retiring this year and it is important for the continuation of the group that we are able to elect new members to fill the vacant positions. Each member is able to vote but to exercise your right to vote you need to be at the AGM.

Please think carefully about whether you are able to stand to be part of our committee, we have had some members expressing interest in joining the committee but we have had nobody showing interest in becoming the Chair. This is a key role and without a Chair in place the viability of the group may be at risk. We are also looking for a member or members who could take on the role of Social Secretary.

If you would like further information about being part of the committee please talk to any of the existing committee.

Flexi Breaks

A thank you to Gavin who has been the organiser of our Flexi Break walking holidays. He has decided not to continue to organise these so if they are to continue we need someone to volunteer to take this on. These breaks were organised to be in a particular area and only the daily walks being organised. The participants would book their own accommodation and travel. If you would like to volunteer to organise these breaks then please contact Julia our Programme Co-ordinator.
